# Have You Thought About the Table?

Thanksgiving is Thursday, November 26th

*(which is closer than it sounds)*

**Plan Your Thanksgiving Table**

Every year, Thanksgiving comes down to the table.

The food, the family, the conversation - it all happens around it. And a beautiful centerpiece sets the tone before anyone says a word.

Ordering early means it arrives fresh and ready, with nothing to think about when the week fills up.

Browse what we're arranging for Thanksgiving and find something that makes your table feel like the occasion it is.
