In the weeks ahead, we'll be sharing ideas for Thanksgiving tables and holiday traditions. Our aim is to make your holiday gift giving and host preparations just a little easier by sending you our most popular items.

Here's a sneak preview of what's hot for Thanksgiving this year
(besides the green bean casserole)

Sunflowers

Bright and cheery but with colors of fall - the perfect combo!

Textures

Pincushions or arrangements in baskets immediately invoke feelings of fall.
